Karl

I would not mix the Congressional staff with this group. A different approach may be to see if we can talk with them separate from the Congressional brief. They may also be more in the purview of MDNR.

LaTonya,

I'm thoroughly involved in the issues surrounding Bridgeton Landfill, the adjoining landfill to West Lake. A meeting of various emergency responding agencies (County Emergency Management, County Health Department, responding Fire District, County Hazmat Team, City of Bridgeton, City of Maryland Heights, DePaul Hospital) is being convened on Friday morning to discuss consequence management planning regarding that Bridgeton Landfill.

I realize that I am not the organizer of the conference call that you scheduled for Friday morning. However, I do think that it would be appropriate for all of these agencies, who have a vested interest, to be able to hear Mr. Brooks.

Would it be OK for me to attend this conference call along with these other agencies, especially since they are meeting at the same time?

Mike
